International shipments are subject to custom delays in each country. We are not responsible for delays due to packages held in US or International customs. FedEx processes all international customs shipments therefore most FedEx shipments are processed within the time range stated above.

All packages are tracked with coded numbers. The USPS and FedEx scans all packages upon delivery at the delivery site. We are not responsible for lost or stolen packages, however, we will do our best to assist you in locating these packages by reporting missing items and filing claims to find lost packages. The USPS is tracking individuals who consistently file claims on lost packages to identify fraudulent behavior.
